Edmunds.com: With high-quality surfaces, flowing lines across the dashboard and a lengthy standard equipment list that includes a 7-inch touchscreen and a rearview camera across the board, the GMC's interior accommodations set it apart from competitors.

KBB.com: Going down the road, the Terrain has a comfortable ride, with predictable steering feel and reassuring directional stability. It might have the looks of a rugged truck, but it has the easy driving manners of a medium-size car.
