### Expert Reviews:

Edmunds.com: Stylish and comfortable, the 2013 Chevy Equinox is one of our top choices in the highly competitive segment of compact crossovers.

KBB.com: The Equinox stretches the boundaries of the term "compact," as it is noticeably bigger than its rivals. That size difference affords more room for passengers in the second row seat and a larger presence on the road.

CarAndDriver.com: The big kid in the compact segment, parsimonious four-cylinder engine, spacious rear seat, techno-goodies, solid feel.

It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
