Expert Reviews:

Edmunds.com: Winner of 2012 Edmunds.com Best Retained Value Award (SUV \$25,000-\$35,000 category).

newCarTestDrive.com: New on the 2012 CR-V is the Eco-Assist system, which will adjust transmissions shift points and gently retard acceleration to improve fuel economy. Eco-Assist can be switched on and off by the driver.

KBB.com: While a bounty of changes inside and out endow the 2012 Honda CR-V with a new level of user-friendly appeal, this latest incarnation retains its signature car-like driving feel and superb flexibility while delivering even better fuel economy.

CarAndDriver.com: Reliability, resale value, and clever packaging make the CR-V a smart choice in the small-ute segment.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
