Expert Reviews:

Edmunds.com: Comfortable ride; simple controls; quiet cabin.

newCarTestDrive.com: A four-door, compact sedan with front-wheel drive, the Corolla is inexpensive to buy and operate, yet it feels like a small version of the Toyota Camry.

KBB.com: If you've been burned in the past by promises of "great reliability" and "bullet-proof resale value," the 2012 Toyota Corolla should help rebuild your faith that some promises do come true.

CarAndDriver.com: Comfortable, roomy, rides well, nice list of standard and optional amenities, should be a long-serving and faithful companion.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
