JDPower.com Ratings:

- Predicted Reliability Rating

Expert Reviews:

JDPower.com: The 2010 Toyota Corolla compact sedan rides well and is fuel-efficient in base form.

Edmunds.com: Forgiving ride, good fuel economy with base engine, minimal road and wind noise.

newCarTestDrive.com: The Corolla is easy to drive, with straightforward controls, minimal distractions, and a comprehensive list of standard safety equipment.

KBB.com: If your vehicular preference is for a modest but fuel-efficient and (presumably) reliable compact sedan from a trusted Japanese brand, this may be an excellent choice.

ConsumerReports.org: Efficient, reliable commuting.

CarAndDriver.com: It's a hop-in-and-go kind of car, easy to master. And it's comfortable.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
