Expert Reviews:

Edmunds.com: Powerful engine; comfortable seats; slightly nicer cabin than Chrysler siblings.

newCarTestDrive.com: The third-row seats fold into the floor. A flat load floor big enough for 4x8-foot sheets of plywood can be created by removing the second-row seats and folding the third row into the floor, a great feature. The Routan can haul an enormous amount of cargo in this configuration. .

KBB.com: The Routan comes with VW's all-encompassing Carefree Maintenance program that complements the normal three-year/36,000-mile bumper-to-bumper warranty with zero-cost coverage for all basic routine servicing performed during that same time period.

CarAndDriver.com: Like the Grand Caravan, the Routan is competent and has adequate power. The unique VW chassis tuning makes it less nauseating to third-row occupants.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
