Expert Reviews:

Edmunds.com: Yet the really great thing about the PT Cruiser is its combination of practicality and reasonable price. Its affordability and practicality make it suitable for everyday use by everyday people. Shorter than many compact cars, it offers the interior volume of a sport-utility vehicle. And it's almost as much fun to drive as it is to be seen in.

KBB.com: Driving the Chrysler PT Cruiser is much like driving any compact car, only you sit a bit higher and get many more smiles and thumbs-up signs flashed your way. The steering is precise and without vagueness, the brakes are firm and the handling good.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
