### Expert Reviews:

Edmunds.com: Adorable styling; Sport model's capable handling; excellent fuel economy with manual transmission; surprisingly spacious for two people.

newCarTestDrive.com: The Fiat 500 is about 6 inches shorter than a Mini, costs about \$4000 less while including Bluetooth, and offers safety with a 5-star crash rating, sporty performance, fuel economy, technology, cool style and good looks.

KBB.com: The interior style lives up to the promise of the quirky but fashionable exterior, and we found the materials, build quality and seat comfort impressive for a car with a \$16,000 starting price.

CarAndDriver.com: Small, maneuverable, and lightweight. It's frisky and fun enough to engage enthusiasts, but not so high-strung as to turn off buyers who just want an affordable, stylish car.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle.
