### Expert Reviews:

JDPower.com: It has design tweaks that impart a sportier look and improved aerodynamics.

Edmunds.com: Spacious interior, engaging handling, comfortable ride, excellent Ford Sync system, good four-cylinder fuel economy, and available all-wheel drive.

newCarTestDrive.com: The Fusion matches or surpasses its Japanese competitors in various quality surveys, and leads the class in fuel economy.

KBB.com: With increased power and torque plus advanced six-speed transmissions, even four-cylinder 2011 Ford Fusion models have plenty in hand to cope with all normal city/highway traffic demands.

RoadAndTrack.com: All the Ford Fusion powerplants are competitive in power output and technological features, and all deliver impressive fuel economy.

CarAndDriver.com: The Fusion is competent, quiet, and comfortable, with sharp steering, a crisp six-speed manual and respectable power.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
