### Expert Reviews:

Edmunds.com: Spacious interior; engaging handling; comfortable ride; abundant high-tech features; good fuel economy from Hybrid model; available all-wheel drive.

KBB.com: Underneath is an underbody shield designed to improve airflow and reduce drag, and thus help improve fuel economy. Ford's new wheel designs also earn high praise from us, even on the base models.

CarAndDriver.com: It won't disappoint with its blend of handsome styling, comfortable and sporty seats, and available technology.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
