Expert Reviews:

Edmunds.com: With standard all-wheel drive, big-car comfort and lively performance, the 2012 Subaru Legacy is a solid choice among midsize sedans.

newCarTestDrive.com: cars are particularly enjoyable to drive through the mountains where winding roads may be dry, wet, icy or covered with snow. However, responsive handling, respectable performance and handsome styling make the Legacy enjoyable to own even when the sun is shining and the roads are dry.

KBB.com: Whether you appreciate the handling virtues of all-wheel drive or need to navigate winter's worst, you'll find the 2012 Subaru Legacy to be a roomy, comfortable sedan with an edge in confidence over its front-wheel-drive competition.

CarAndDriver.com: Sporty feel, communicative steering, standard all-wheel drive, roomy interior, turbo and six-cylinder versions add power.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
