Expert Reviews:

Edmunds.com: Seats five adults in comfort, attractive cabin design with high-quality materials, composed and quiet ride, powerful and efficient V6, available upscale amenities, strong crash test scores.

newCarTestDrive.com: Empty-nesters will appreciate the Avalon for its flexibility, and families for its manageable base price, which includes a good stereo with CD changer and most of the features anyone really needs.

KBB.com: Beyond its solid engineering attributes, the Avalon also offers customers a powerful yet fuel-efficient V6 engine, a huge and easily accessible trunk and a sense of style not found in more traditional sedans.

CarAndDriver.com: The Avalon rides like a magic carpet, almost impervious to the worst roads you'll travel. But it also delivers good acceleration and mileage for such a roomy car.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
