### Expert Reviews:

Edmunds.com: A car with a roomy cabin, a comfortable ride, an easy-to-drive demeanor and a reputation for reliability and low maintenance costs. The Camry knows comfortable, stress-free travel.

newCarTestDrive.com: The Toyota Camry does just about everything very well and it's supported by Toyota's well-earned reputation for quality, reliability and resale value. It's the best-selling midsize sedan in America.

KBB.com: The Toyota Camry remains one of the most style-conscious Camrys to date, with an abundance of interior room and marked improvements in the areas of steering, braking, handling and ride comfort.

MotorTrend.com: A distinctive, roomy interior shows the attention to detail that has helped this model set such high standards for sedan comfort. The body structure is designed to absorb collision-impact forces and help minimize impact deformation to the passenger cabin.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
