Expert Reviews:

Edmunds.com: Agile handling, smooth V6 power, convenient split and flat-folding rear bench seat, available eight-passenger capacity, excellent crash-test scores.

newCarTestDrive.com: All Odyssey models deliver car-like ride and handling and a comprehensive set of safety features, including electronic stability control and side curtain airbags for head protection.

KBB.com: The Odyssey brakes and corners with a capability some may find surprisingly good for a vehicle of its proportions, and the strong engine can get you quickly back to cruising speed.

CarAndDriver.com: High chassis rigidity, a firm suspension, and very precise steering give this people packer responses that are unique among minivans.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
