### Expert Reviews:

Edmunds.com: The 2011 Honda Odyssey is a top pick for a minivan thanks to its highly versatile interior, long list of features and responsive handling.

newCarTestDrive.com: It weighs less, is usually less expensive, gets better fuel economy, offers more passenger and cargo room, and greater flexibility in how the space is configured.

KBB.com: With decent power under hood, a choice of two smooth-shifting transmissions, solid steering and confident braking, there's not much to complain about when it comes to driving this people mover.

CarAndDriver.com: Excellent ergonomics, third row folds easily, fuel-efficient V-6, refined manners, nearly carlike handling, new tech features, distinctive styling.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
