Expert Reviews:

Edmunds.com: Pleasant ride, decently roomy third-row seat, smooth V6, clever interior storage features, perfect crash test scores.

newCarTestDrive.com: With six cup holders in the second row alone, eight door cargo pockets and the ability to carry a 4x8-foot sheet of building material flat inside, finding a place for everything isn't an issue.

KBB.com: With seating for eight persons and ample room for all their stuff, this crossover echoed what people liked about SUVs without the heft or poor fuel economy as trade-offs.

CarAndDriver.com: Honda's class-leading and comparison-test-winning Pilot crossover has a spacious and stylish interior and a square-jawed SUV look that resonate with buyers and C/D editors alike.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
