KBB.com: With eye-catching exterior styling, a highly usable interior and a remarkably quiet cabin the Buick Enclave has what it takes to be a viable competitor in this hot segment.

CarAndDriver.com: The handsome, eight-passenger Enclave blazed the styling path for all the new Buicks and is a high-quality, luxurious, full-size crossover with Lexus levels of refinement.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
