Expert Reviews:

Edmunds.com: Lots of standard and optional features for the money; stylish and comfortable cabin; top fuel economy; strong safety scores; lengthy warranty.

KBB.com: From its stunning sculpted exterior, to its modern and feature-filled interior, to a suite of powerful yet fuel-efficient 4-cylinder engines, the 2012 Hyundai Sonata hits every target with pin-point accuracy.

CarAndDriver.com: New in 2011 with styling that set the hidebound mid-size segment on its ear, the Sonata is a well-appointed and attractive alternative to the Accord and the Camry.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
