Expert Reviews:

Edmunds.com: Plentiful standard features; decent-size third-row seat, sporty handling; optional fuel-efficient four-cylinder; optional punchy V6; long warranty.

newCarTestDrive.com: The new suspension is nicely tuned to muffle rough pavement. On smooth curves when driving a bit more aggressively, it feels decently agile and easy to control with perfect steering feel.

KBB.com: One walk around this stylish new Sorento makes it clear that it means to compete toe-to-toe with the premier mid-size crossovers, Chevrolet Equinox, Toyota Highlander, Ford Edge, and Honda Pilot.

CarAndDriver.com: With carlike unibody construction, secure handling, and a high level of standard and available technology, this Kia trades on more than good looks.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
