### Expert Reviews:

Edmunds.com: Standard all-wheel drive; superior off-road capabilities; spacious cabin; crossover utility in a compact, fuel-efficient package.

newCarTestDrive.com: There's good room in front, a decent rear seat with plenty of headroom, and employing the ubiquitous small bikes and golf clubs, room for two mountain bikes behind the front seat and three golf club bags behind the second seat.

KBB.com: The XV Crosstrek feels exceptionally stable and secure on the open road. Road imperfections and undulations are well absorbed, and the up-sized brakes provide plenty of stopping power for the relatively light XV Crosstrek.

CarAndDriver.com: The Crosstrek's primary strengths are all-weather capability, interior versatility, and unique styling.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
