Expert Reviews:

Edmunds.com: Easily fulfilling typical family needs, the 2013 Mazda CX-9 also benefits from a healthy dose of driving excitement.

KBB.com: The CX-9 won't conquer boulder-strewn trails or tow massive loads, but as far as people movers go, it's hard to find one in its $30,000 price range that's more invigorating to drive.

CarAndDriver.com: The styling has been updated nicely for 2013. And it can also perform a number of impressive accident avoidance tricks.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
