## Expert Reviews:

Edmunds.com: Powerful, velvety-smooth V6; comfortable ride and composed handling; luxurious high-tech interior; generous rear legroom.

newCarTestDrive.com: The 2013 Lexus ES is quiet, uncomplicated, has a fair suite of appointments standard and available, delivers a reassuring ride, benign handling, decent to excellent fuel economy and an enviable reputation for reliability and the dealer experience.

KBB.com: With its 268-horsepower V6, the ES 350 has a 0-60 mph time of 7.1 seconds, which means it can swiftly get up to speed on freeways and has good passing power once there.

CarAndDriver.com: The ES is redesigned for 2013, with slightly more aggressive styling, a little more interior room, and more emphasis on the relaxed, quiet driving experience.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
