### Expert Reviews:

Edmunds.com: The 2012 Lexus CT 200h stands out in the small but impressive premium-compact segment thanks to its high fuel economy, sporty handing and attractive price.

newCarTestDrive.com: It makes boxy look stylish, with smooth and flowing lines, from the contours on the hood up to the long roofline and straight back to the spoiler with a cool little lip over the muscular liftgate. The details of the design, trim and wheels are flawless.

CarAndDriver.com: The sleek-looking CT200h is the smallest and least powerful of Lexus's two hybrid-only models, making it cheaper than the HS250h sedan.

### JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
