Expert Reviews:

Edmunds.com: Larger, sharper and more fuel-efficient, the redesigned 2012 Hyundai Accent deserves buyer consideration as an affordable, stylish new car.

newCarTestDrive.com: The 2012 Accent is longer in wheelbase and overall length than most of the competition, which means more room inside for people and cargo, and a smoother ride.

KBB.com: The transmission shifts smoothly and the engine responds quickly, and even after our extensive time behind the wheel, we found the seats to be quite comfortable.

CarAndDriver.com: Reasonably quiet and subdued over the road, the Accent will surprise buyers who haven't driven a Hyundai lately. Quiet demeanor makes it more than basic transportation.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
