### Expert Reviews:

Edmunds.com: Its low-slung, low-cabin profile is impressively sporty and highlighted by flared fenders and a character line rising from the front fender to the rear taillights. The specs back up this visual impression...

KBB.com: The new 4 Series takes the benchmark 3 Series performance traits - agility, acceleration and overall balance - and goes one better. With a wider stance and lower center of gravity, the coupe is an expert at cornering.
