### Expert Reviews:

Edmunds.com: The 2013 BMW X1 offers strong performance along with good fuel economy and all the utility expected of a premium crossover SUV.

KBB.com: The X1's smaller size and lighter weight make it feel exceptionally more agile than its X3 bigger brother and athletic prowess makes for a far more exciting drive as compared to the Acura RDX and Mercedes-Benz GLK.

CarAndDriver.com: BMW-sedan dynamics in a different package, sweet powertrains, BMW's first rear-drive SUV.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
