### Expert Reviews:

Edmunds.com: Drives like a proper Mini; adjustable backseat is surprisingly spacious; fuel-efficient engines; spirited performance from S model; highly customizable.

newCarTestDrive.com: The Countryman retains the look and fuel economy that have established Mini as a premium brand among small cars while offering real space for four adults and substantially more cargo volume than the other Minis.

CarAndDriver.com: The Countryman is to the regular Mini what Cher was to Sonny. Basically, it towers over the smaller Cooper even though it's only about the size of a VW Golf.
