- Automotive Performance, Execution and Layout (APEAL) Overall Rating

Expert Reviews:

Edmunds.com: The 2012 Volkswagen Tiguan offers a different flavor in a bland segment by trading some practicality for a top-notch cabin and European driving manners.

newCarTestDrive.com: With improvements to fuel economy, upgrades to the interior and new color options, the 2012 Tiguan exterior now incorporates the new Volkswagen family front-end design.

KBB.com: The rear seats will fold in a 40/20/40 split, accommodating a wide variety of loads and load lengths. And they will also slide fore and aft by some six inches, increasing passenger comfort, or cargo capacity, as you need it.

CarAndDriver.com: Handling is sporty and the structure is solid. There's a spacious and attractive interior, and the turbocharged 2.0-liter is a strong and efficient engine.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
